

NAMI St. Tammany has an exciting opportunity to raise money! *But, We Need Help*, and the best part is it won't cost you anything, not money or time.

Winn Dixie's Community Pals Program has accepted us into their program which offers us the chance to raise funds to use at our discretion. Any family who buys groceries at Winn-Dixie can participate and help NAMI St. Tammany.

Attached is a special **coupon**. All you have to do is have the cashier scan both the **coupon** and your **Winn-Dixie Customer Reward Card**. You only have to take the attached coupon to the store once. From that point forward, every time you scan the card, the total of your order will be credited to NAMI St. Tammany. If you don't already have a Winn-Dixie Customer Rewards Card, you can get one at any Winn-Dixie store.

We're looking forward to the benefits of this program. All we need is your help to make it a success. Remember to use your Winn-Dixie Customer Reward Card for every Winn-Dixie purchase, large or small. If everyone NAMI St. Tammany member and their friends help, the totals will add up fast.

There are two coupons enclosed, please use one and give the other to a friend. If you need more, please call the NAMI St. Tammany office and we will get them to you or if you prefer you can copy them yourself if you have access to a copy machine.

Thanks for your help.
NAMI ST TAMMANY
